# Managing Corrective Actions

After an EH&S survey visit, the Principal Investigator and a designated lab safety contact will be able to view their Safety Survey report, which may include corrective actions. This chart shows how to manage your laboratory's corrective actions.

### There are two ways to manage corrective actions

ehs.columbia.edu

Dear Phylicia Obame, :

Environmental Health & Safety (EH&S) completed a Personal Protective Equipment Awareness and Administrative Controls survey ur laboratory(s) on Jun 7, 2017 and have assigned corrective action(s). Click here, to view the corrective actions assigned to you, certify that they have been completed, request an extension, or reassign them to someone else.

Survey Details				
Observation	Corrective Action	Assigned To	Corrected at Time of Survey	Action Required
Are beverages visible or evidence of beverages present in the laboratory? coffee and tea	Food and beverages in the laboratory pose cross- contamination risks, and can enable the inadvertent ingestion of hazardous materials.	Phylicia Obame	No	Yes
Is the laboratory roster complete?	The laboratory's LATCH should accurately list a current staff roster. Please log into LION to update the lab's roster. From the "Laboratory Assessment Tool" page, click "Personnel", then add or delete individuals, as necessary.	Phylicia Obame	No	Yes
