

Environmental Health & Safety Radiation Safety Program

Attention supervisors and responsible investigators:

Please have everyone in your department who will be receiving a **DOSIMETRY BADGE** take the RASCAL radiation safety test online

How to take online test and get the Rascal certificate

- Go to the Rascal website - <http://www.rascal.columbia.edu/>
- On the left hand side, under login, choose "Training center"
 - **If you have a uni** click on login
 - user: is your Columbia email ID/UNI
 - password: is your ID/UNI password
- When in Rascal click the link "Safety Courses"
- Go to Medical Center courses
- Click link titled "Annual Radiation Refresher Training" (TC1750)
- On the left hand side of screen, click on "take test"
- When test has been completed, print two certificates:

One should come to the radiation safety office located at the address listed above or e-mailed to badges@columbia.edu & you should keep a copy for your records

**note: everyone taking this test should have attended the radiation safety lecture training.

Yearly refresher trainings are required.

For training dates please call radiation safety @ (212) 305-0303**

Technical difficulties??? Contact Rascal
