EH&S hosts monthly ergonomic workshops designed to offer tips and techniques to avoid work-related musculoskeletal disorders (WMSDs) and to make your workplace more ergonomically fit. While EH&S does provide ergonomic tips, we do not provide or prescribe any specific ergonomic equipment or endorse any specific product or manufacturer of such products. The Purchasing Department has approved vendors on their website who provide ergonomically designed products like, chairs, mouse, footrests, keyboards, document holders, etc. The decision to purchase ergonomically designed equipment should be made between the individual and their supervisor/departmental administrator.
