*Affiliated: Please indicate whether or not each individual is affiliated (other than as an IRB member) with the entity conducting the research or operating the IRB.

Yes (Y) = The IRB member is affiliated with the entity conducting the research or operating the IRB.

No (N) = Other than as an IRB member, the individual is not affiliated with the entity conducting the research or operating the IRB.

**Alternate Members: An alternate member(s) may be designated, as needed, for a regular voting member(s). The appointment of alternate member(s) should be based on expertise similar to that of the regular voting member(s). Under comments, please designate for each alternate member the corresponding number (e.g., 1; 6; 8; or 3, 4, or 7) of the regular voting member(s) he/she represents. An alternate member may vote only when the regular voting member is absent.

NOTES: Any individual who has had substantive training or experience in a scientific discipline or in a scientific method should be considered a scientist. In addition, the IRB must have members with sufficient knowledge of the specific scientific discipline(s) relevant to the research that it reviews.

- Non-voting members may be indicated by (NV) after their name.

***Appointed MS Campus members will be counted towards quorum, for review of certain non-FDA-regulated originating from the Morningside (MS) campus only studies (unless an FDA-regulated study requires the expertise of these members), when they are in attendance and vote on an agenda item.
