

Sample Text for Informed Consent – Incidental Findings from Radiographic Scans

Although the scan(s) (imaging) you will have in this study is/are being undertaken for research purposes only, it is possible that doctors may notice something that could be important to your health. If so, we will contact you to explain what was noticed. If you so desire, we will also talk with your private physician. If you do not have a private physician, we will refer you to an appropriate clinic for follow-up. It will be your choice whether to proceed with additional tests and/or treatments to evaluate what we observed, and you or your insurer will be responsible for these costs.
