2017 MEDICAL PLAN SUMMARY

Important notes: UnitedHealthcare (UHC) has a national provider network and does not require a primary care physician or referrals to see specialists. UHC requires precertification for some services. If you use an in-network provider, your participating network physician or hospital generally handles the precertification process. However, it is your responsibility to confirm that your provider has obtained the necessary authorizations from UHC. If you see a provider who is out-of-network, you are responsible for obtaining precertification for most services except routine office visits. Check your Summary of Benefits and Coverage (SBC) and Summary Plan Description (SPD) available online at http://hr.columbia.edu/forms-docs/search.
