The following documents are included in our subaward proposal and covered by the certifications below:    Scope of Work     Budget and Budget Justification for all budget periods (with cost sharing amount, if applicable)     Biographical Sketches     Current & Pending (Other) Support (if required by the sponsor at time of proposal submission)     Letter of Support     Subrecipient's Scope of Work Includes:     Human Subjects   Vertebrate Animals   Human Pluripotent or Human Embryonic Stem Cells     If the Prime Awarding Sponsor is the National Institutes of Health, we, the subrecipient organization, agree to abide by all requirements of the NIH Final Updated Policy Guidance for Subaward/Consortium Written     Agreements (NOT-OD-23-182). Non-U.S. entities will be required to provide access to copies of all lab notebooks, all data, and all documentation that supports the research outcomes as described in the progress
□Scope of Work □Budget and Budget Justification for all budget periods (with cost sharing amount, if applicable) □Biographical Sketches □Current & Pending (Other) Support (if required by the sponsor at time of proposal submission) □Letter of Support  Subrecipient's Scope of Work Includes: □Human Subjects □Vertebrate Animals □Human Pluripotent or Human Embryonic Stem Cells  If the Prime Awarding Sponsor is the National Institutes of Health, we, the subrecipient organization, agree to abide by all requirements of the NIH Final Updated Policy Guidance for Subaward/Consortium Written Agreements (NOT-OD-23-182). Non-U.S. entities will be required to provide access to copies of all lab notebooks, all data, and all documentation that supports the research outcomes as described in the progress
□Budget and Budget Justification for all budget periods (with cost sharing amount, if applicable) □Biographical Sketches □Current & Pending (Other) Support (if required by the sponsor at time of proposal submission) □Letter of Support  Subrecipient's Scope of Work Includes: □Human Subjects □Vertebrate Animals □Human Pluripotent or Human Embryonic Stem Cells  If the Prime Awarding Sponsor is the National Institutes of Health, we, the subrecipient organization, agree to abide by all requirements of the NIH Final Updated Policy Guidance for Subaward/Consortium Written Agreements (NOT-OD-23-182). Non-U.S. entities will be required to provide access to copies of all lab notebooks, all data, and all documentation that supports the research outcomes as described in the progress
□ Biographical Sketches □ Current & Pending (Other) Support (if required by the sponsor at time of proposal submission) □ Letter of Support Subrecipient's Scope of Work Includes: □ Human Subjects □ Vertebrate Animals □ Human Pluripotent or Human Embryonic Stem Cells  If the Prime Awarding Sponsor is the National Institutes of Health, we, the subrecipient organization, agree to abide by all requirements of the NIH Final Updated Policy Guidance for Subaward/Consortium Written Agreements (NOT-OD-23-182). Non-U.S. entities will be required to provide access to copies of all lab notebooks, all data, and all documentation that supports the research outcomes as described in the progress
□Current & Pending (Other) Support (if required by the sponsor at time of proposal submission) □Letter of Support  Subrecipient's Scope of Work Includes: □Human Subjects □Vertebrate Animals □Human Pluripotent or Human Embryonic Stem Cells  If the Prime Awarding Sponsor is the National Institutes of Health, we, the subrecipient organization, agree to abide by all requirements of the NIH Final Updated Policy Guidance for Subaward/Consortium Written Agreements (NOT-OD-23-182). Non-U.S. entities will be required to provide access to copies of all lab notebooks, all data, and all documentation that supports the research outcomes as described in the progress
□Letter of Support  Subrecipient's Scope of Work Includes: □Human Subjects □Vertebrate Animals □Human Pluripotent or Human Embryonic Stem Cells  If the Prime Awarding Sponsor is the National Institutes of Health, we, the subrecipient organization, agree to abide by all requirements of the NIH Final Updated Policy Guidance for Subaward/Consortium Written Agreements (NOT-OD-23-182). Non-U.S. entities will be required to provide access to copies of all labinotebooks, all data, and all documentation that supports the research outcomes as described in the progress
Subrecipient's Scope of Work Includes:  Human Subjects Vertebrate Animals Human Pluripotent or Human Embryonic Stem Cells  Here Prime Awarding Sponsor is the National Institutes of Health, we, the subrecipient organization, agree to abide by all requirements of the NIH Final Updated Policy Guidance for Subaward/Consortium Written Agreements (NOT-OD-23-182). Non-U.S. entities will be required to provide access to copies of all lab notebooks, all data, and all documentation that supports the research outcomes as described in the progress.
□ Human Subjects □ Vertebrate Animals □ Human Pluripotent or Human Embryonic Stem Cells  If the Prime Awarding Sponsor is the National Institutes of Health, we, the subrecipient organization, agree to abide by all requirements of the NIH Final Updated Policy Guidance for Subaward/Consortium Written Agreements (NOT-OD-23-182). Non-U.S. entities will be required to provide access to copies of all lab notebooks, all data, and all documentation that supports the research outcomes as described in the progress
If the Prime Awarding Sponsor is the National Institutes of Health, we, the subrecipient organization, agree to abide by all requirements of the NIH Final Updated Policy Guidance for Subaward/Consortium Written Agreements (NOT-OD-23-182). Non-U.S. entities will be required to provide access to copies of all lab notebooks, all data, and all documentation that supports the research outcomes as described in the progress
abide by all requirements of the NIH Final Updated Policy Guidance for Subaward/Consortium Written Agreements (NOT-OD-23-182). Non-U.S. entities will be required to provide access to copies of all lab notebooks, all data, and all documentation that supports the research outcomes as described in the progress
report, to the primary recipient with a frequency of no less than once per year, in alignment with the timing requirements for Research Performance Progress Report (RPPR) submission. Such access may be entirely electronic.
By signing below, I certify that I am an authorized institutional representative and the information and representations made herein are true, accurate and complete. The appropriate programmatic and administrative personnel involved in this application are aware of all sponsor policies regarding subawards a are prepared to establish the necessary inter-institutional agreements consistent with those policies. Any work begun and/or expenses incurred prior to execution of a subaward agreement are at the subrecipient's own ris

Certifications
1. Facilities & Administrative (F&A) Rates included in this proposal have been calculated based on the following:
When Prime Sponsor is a Federal agency:
Our federally negotiated F&A rate for this type of work:
Attach rate agreement, or provide link:  The following interest and the state of the state
□ No federal negotiated rate and we hereby agree to accept the 10% de minimis modified total direct costs (MTDC) rate as a subrecipient.
<b>NOTE if sponsor is NIH</b> : Foreign or international consortium participants may include 8 percent of modified total direct costs (MTDC), exclusive of tuition and related fees, direct expenditures for equipment, and subawards in excess of \$25,000 (per section 16.6 of the NIH Grants Policy Statement).
When Prime Sponsor is a non-Federal agency:
☐ Use of the non-federal sponsor's required F&A rate
□ Other, please explain:
<ol> <li>Fringe Benefit Rates included in this proposal have been calculated based on the following:         Rates are consistent with our federally negotiated rates         Rates are consistent with our institution's rates for non-federal awards         Other, please explain:     </li> </ol>
3. Financial Conflict of Interest
Subrecipient has an active and enforced policy on conflict of interest consistent with the sponsor's requirements. Examples include, but are not limited to:
<ul> <li>Public Health Service (PHS) agencies (<u>PHS agencies</u>) follow the provision of <u>42 CFR Part 50 Subpart F</u> (see <u>NIH's FCOI webpage</u> for additional resources)</li> <li>NSF <u>Proposal &amp; Award Policies &amp; Procedures Guide (PAPPG)</u> Part II Chapter IX.A</li> </ul>
<ul> <li>Department of Energy (DOE): <u>Interim Conflict of Interest Policy Requirements for Financial Assistance</u></li> <li>NASA <u>Grant Information Circular (GIC) 23-07</u></li> </ul>
Subrecipient does not have an active and enforced conflict of interest policy, but will have implemented a conflict of interest policy and process which conforms to the requirements of the sponsor's requirements prior to receipt of any funds in the event that the above application is funded. If awarded, Columbia will follow-up to obtain evidence of policy.
*If you cannot select either option above, you must immediately submit an explanation to <a href="mailto:grants-office@columbia.edu">grants-office@columbia.edu</a> (Columbia University Irving Medical Center) or to <a href="mailto:ms-grants-office@columbia.edu">ms-grants-office@columbia.edu</a> (Morningside (main) campus), along with this form. Your institution may not qualify to be a subrecipient for this project.
4. Debarment, Suspension, Proposed Debarment
Is the subrecipient, PI, or any other employee, or student participating in this project debarred, suspended, proposed for debarment, or otherwise excluded from or ineligible for participation in federal department, agency, assistance programs or activities? Yes No If <b>YES</b> , please explain below, and provide name(s) of individual(s) and role on this project, if applicable.
Subrecipient Institutional Information: <i>Unique Entity Identifier (UEI)</i> 1. Per 2 CFR 25.300, if awarded, Columbia University cannot make a subaward to a subrecipient without a Unique Entity

Identifier (UEI). Some sponsors require subrecipients to have the UEI at the time the proposal is submitted.

2. Refer to SAM.gov's <u>Get Started With Registration and the Unique Entity ID</u> to start the process of obtaining a UEI.

Subrecipients are not required to complete full SAM registration to obtain a UEI.
